GIN

We have around 34 gins at anyone time, ranging from a traditional Jeneve, a Lithuanian and Blackwoods, alongside various fruit infused, such as Malfey Blood Orange, Tarquins Dry British Blackberry and Whitley Neill Rhubarb and Ginger. More traditionally, Hendricks, Tanqueray and Gordons.

Please don't be disappointed if the one you enjoy is unavailable as I like to find different Gins from around the country and further afield. So here are a few of our standards.

Gordons £3.40
A distinctively refreshing tasting gin crafted from the finest handpicked juniper berries and a secret selection of botanicals.

Sipsmith £3.70
The quintessential expression of a classic, traditional London Dry Gin. Bold, complex and aromatic – smooth enough for a martini, yet rich and balanced, perfect for a G&T.

Martin Millers £4.30
At 40% ABV, Martin Miller's Gin has a full citrus taste with the juniper notes emerging half way through. It has a clean soft finish, underpinned by warming cassia notes giving the gin a rather enjoyable depth.

Tanqueray £3.60
The four botanicals used are juniper, coriander seed, angelica root and liquorice. They all combine to create a smooth gin, well balanced juniper dominant taste

King of Soho £4.50
Created as a tribute to the original 'King of Soho' Paul Raymond by his son Howard. At 42% ABV this super premium gin is bespoke, smooth and full-bodied; soft juniper, coriander, with a high presence of citrus botanicals including grapefruit peel, balanced by angelica root and cassia.

Brockmans £3.95
Delicious gin made with Bulgarian coriander, blueberries and blackberries as well as bittersweet Valencia orange peels. The result is well balanced and full of flavour.

Gin Mare £3.90
Produced in the Spanish Mediterranean, this gin begins with a barley neutral spirit. The botanicals, which include Arbequina olives, thyme, basil, and rosemary, are steeped in the spirit and distilled individually. It is then blended together where water and more neutral spirit is added.

Bathtub £4.10
Ableforth's marvellous Bathtub Gin combines exotic botanicals such as juniper, coriander, cinnamon, cardamom, cloves and the very finest orange peel to deliver an unparalleled drinking experience

Blackwoods £3.80

The original vintage Gin, made in small batches using a traditional copper pot still. Each vintage is subtly different, the flavour being determined by delicate and sweet floral top notes.

Bombay Sapphire £3.20

This gin opens with a touch of juniper, a ripe citrus and hints of spice in the fragrance. The palate is exceptionally smooth and allows the botanicals to open up one by one and mix in the most lovely way with juniper slightly at the forefront

Silent Pool £4.50

A delicious floral gin from the Silent Pool Distillery in the Surrey Hills. A unique four stage distillation process captures the fresh flavours of each of the 24 botanicals. Bottled at 43% ABV using water drawn from the famous Silent Pool itself.

Hendricks £3.50

Juniper aromas with floral hints and a touch of musky rose, followed by a blanket of sweet orange, lime zest, and elderflower. Very classic Gin on the palate with flavours of angelica, coriander, juniper and orris root. A burst of citrus flavours seals the deal.

William Chase £3.60

An English gin, distilled at Herefordshire, from the same company that make Chase potato vodka. This is distilled from organic apples, and has a lovely crisp, fruity flavour.

Whitley Neill £3.50

Whitley Neill bottled at 43% abv (previously 42%). A London Dry Gin made with African botanicals including extracts from the Baobab Tree (known as the Tree of Life) and Physalis fruit. It's made in a one-hundred-year-old copper pot still!

Monkey 47 £5.50

An unusual gin from the Black Forest in Germany, Monkey 47 contains a unique ingredient, Cranberries! The 47 comes from the number of botanicals that go into this unique gin, and the fact it's bottled at a healthy 47%.
